JUNE 14, 2011

“Becoming the best
that we can be!”

Any students interested in a **3 credit Fashion course**-that would be held after school, in the fall-please see **Mrs. Hauck ASAP**-whether or not we offer this needs to be decided before the end of June, and we need to know if we have enough student interest to run a separate Fashion program. This would be a regular class with expected attendance-only held outside of normal school hours. People interested in learning/continuing to quilt and sew, this would be a very exciting initiative!

Slogan Contest

Hey! We need help here at FCSS. Volunteerism makes the world go 'round, and I'm trying to get people interested. Here's your chance to help. We need a catchy slogan to get people to look twice at volunteering. Here's what you do: Submit your slogan to someone at the FCSS office (Heather Norris, Anne Marie Smigelski, or myself, our offices are in the Oyen Dental Clinic) and you could see it around town, plus, receive twenty-five Chamber bucks! You could also e-mail your slogan to fcssvolunteer@gmail.com. The dead line is Friday, June 17, 2011. Have fun, be creative, and think about volunteering.

Volunteer co-ordinator for
Oyen Family and Community Support Services (FCSS)

CAREERS AT SHELL

LET'S BUILD A BETTER ENERGY FUTURE.

At Shell, a global group of energy and petrochemicals companies with around 101,000 employees in more than 90 countries and territories, our success as a corporation depends on the success of our employees. In 2011 Shell celebrates 100 years of business in Canada.

We are also celebrating being named one of Canada's top 45 diversity employers as well as being recognized as one of the country's 100 most-preferred employers for the tenth consecutive year. We are proud to employ a diverse mix of men and women of different nationalities and ethnic groups, orientations, backgrounds, abilities and cultures. We value these differences and encourage the most talented individuals to apply for a career with Shell.

Whatever your professional background and whatever your ambitions for your future career, we're confident that you can find the right opportunity at Shell. Career opportunities span technical roles—from Mining to Engineering to Geology to Operations and Maintenance—along with the full range of commercial areas, including Finance, Marketing and IT.
